About Us:

The Agency has the versatility to provide high quality visual effects regardless of the size or scope of the project. We are armed with the latest tools and software available. We also teach and help beginners understand the way keying, animating and compositing work with classes and easy-to-follow free tutorials. The possibilities are endless when you think about what you can achieve with just two sets of programs.

Animation displays "Loading...". We see a loading bar with "Initializing" on top. It goes dark and S7S logo animation begins and ends with the logo flying pass the camera. A text [in Futuristic Font ] displays, "Welcome to Sector 7 Studios". It fades out and we see the page.

About
